

Hong Kong Adventure Corps

Joint Squadron Christmas Camp 2017

Basic Information

General

This is a three-day joint Camp to be held from 23rd to 25th December, 2017. The Camp consists of two phrases: a Troop Test; and a circuit-training. This camp involves adult Instructors and Senior Cadet NCOs to steer the programme; while Junior Cadet NCOs and Cadets will have full participation throughout the Christmas Camp.

Purpose

The Camp is designated to provide a platform for our Squadrons to meet together, to enjoy the Christmas vacation, and to review their training performance.

The Camp also provides both Cadet members and adult members with opportunities to:

- i Apply knowledge and experiences gained from the daily training to real scenarios;
- ii Cooperate with members apart from their mother-Squadron;
- iii Be engaged in training activities beyond Squadron level.

Ground

The “Joint Squadron Christmas Camp 2017” will be held in Sai Kung Area, between Tsak Yue Wu and Pak Lap.
