Guidelines for the Direct Appointment of Uniformed Specialist Officer/Instructors

1. Introduction

In order to broaden the knowledge base of the Corps and to bring in new talents to fill management, supervisory, instructional and specialist positions. CHQ reckons that direct appointments should be made as and when the opportunity arises.

Qualified individuals with the required technical, disciplined/auxiliary force, military or uniform group background for appointment as directly appointed members, without requiring the appointees to go through the normal basic training (Officer Training Course, Potential Instructors Course).

2. Procedures for appointment

Applications for direct appointment of Officer/Instructor should in the first instance be made to the Commandant via the Adjutant using the form attached in Annex 1. Supporting documents should be provided along with application to assist the Commandant to ascertain the suitability of appointment. Direct appointment up to and including the rank of Captain shall be made at the sole discretion of the Commandant.

3. Introductory training

All direct appointees should undergo a short period of introductory training to familiarize themselves with the history, organization, rules & regulations and customs & courtesies of HKAC. A direct appointee may elect to go through part of the usual basic training programme (e.g. OTC, OFC) but will not normally be required to undertake the prescribed assessment at the end of the programme.

4. Initial Appointment and Condition for Specialist Officer/Instructor

Direct entry Officers/Instructors are given initial appointment to a rank commensurate with their position, experience, and professional qualifications. All Specialist Officers/Instructors up to and including the rank of Captain are under the command of OC CTSW. Specialist Officers/Instructors should only provide training in their specialized field to the Corps and Squadrons and have no interference in the operation and management of the Corps.

5. Further promotions

After initial appointment, direct entry Officers/Instructors may be promoted when assuming a position of higher responsibility, for meritorious services, or when higher professional

qualifications are gained.
